### VOWEL MATRA KEYS

A ా	I ి	U ఊ	R ఱ	E ె	Y ే	O ో	V ౓
a	i	u	ṛ	e		o	v

In autoconjunct mode a single 'x' is the release for a consonant with the inherent vowel. If this is followed by another 'x' a virama ీ is attached to the consonant. The implicit virama ీ is generated automatically.
