### VOWEL MATRA KEYS

A a	ா i	ி i	ஊ u	஋ e	஌ e	஍ o	எ o	ஏ v
--------	--------	--------	--------	--------	--------	--------	--------	--------

In autoconjunct mode a single 'x' is the release for a consonant with the inherent vowel (அ). If this is followed by another 'x' a virama ு is attached to the consonant. The implicit virama ு is generated automatically.

### Other keys

\n = ன  
\L = ழ  
\r = ற
